

KIBITZER

Louisiana Bridge Association -- August, 2010

Peggy Allen, Editor

President's Message

Welcome back! Hopefully everyone had a wonderful time at the Nationals. Many thanks to all the Committee Chairs for all their hard work over the past year or more preparing for this event. And thanks to all members who volunteered during the tournament.

Mary Ann Chesson has offered to coordinate our Labor Day celebration. Please see her if you are able to help. Thanks to Don Daigle for cooking those delicious creamy red beans for our Fourth of July event and to Jackie Madden who prepared the rice. We had 148 bridge players at the club that day!

We've done some sprucing up while the club was closed. We are now using a janitorial service to meet our needs. Please dispose of your trash and help take care of our club. We have also set up a Lost and Found basket under the television. If you are missing something, please be sure and check it out.

Keenan Romig, President

Many thanks to Jim Thornton for compiling the following list of local players who earned more than 15 masterpoints at the NABC. The NABC awarded masterpoints to 4,055 players in total; earning 15 or more points puts one in the top 40% of MP winners for the tournament.

It was a tough field, as evidenced by this comment from one of our local pairs, who said, “We had a 70% game in the two-session pairs: 35% in the first session and 45% in the second.” (Both the gentlemen in this pair did make the list of tournament firsts and the list below, in spite of their “70%” game.)
